

SPOKANE COUNTY DEMOCRATS

NEWS RELEASE

Regarding

MATT SHEA

August 18, 2019

As the Chair of the Spokane County Democrats I join with Ben Stuckart, Breean Beggs, Lori Kinnear, and the Spokane Branch of the NAACP in calling for Matt Shea to resign as a Representative of the 4th Legislative District. Matt Shea continues to use his position to promote hate and violence.

His continued advocacy for white supremacy, biblical warfare, and hate is unacceptable. Enough is Enough. We condemn his actions and call upon the Republican leadership in Olympia to expel him from the Legislature. We also encourage the voters in the 4th Legislative District to send him the same message and to vote him out of office.

Ed Wood, Chair
Spokane County Democrats
